## What Our *Couples Say*

“We just wanted to say a massive thank you for making our day at Corick House so special and perfect. You and all the staff went to tremendous efforts, and we got so many compliments from our friends and family about what a great venue we had chosen.

Thank you again and we hope to see you all soon. ”

Jemima & Nathan, October 2023

“We’re both just checking in to say a massive thank you for everything you and your team did for us on our wedding day on Saturday. To say we and all our guests had an absolute blast is an understatement! We couldn’t have asked for any better or anything different we are both eternally grateful to all the staff of Corick for providing us with a wonderful venue, meal and atmosphere to celebrate our special day! When I say both Ross and I and our guests I have been talking for days about the fantastic reception I honestly mean it, we are all so thankful to Corick House Hotel and the wonderful staff involved. ”

Victoria & Ross, September 2023

“The whole team at Corick have been so attentive and caring throughout the planning period - nothing was too much of an ask. Their knowledge of all things wedding was brilliant. The food and beverages were OUT OF THIS WORLD! Every single guest commented how gorgeous the food was and the amount of it! There wasn’t a single hungry guest all day. I just cannot speak highly enough of you and your team. Guests told us it was the best wedding they have been to and commented on how smoothly the day went. No big waiting times, dinner served speedily and efficiently. We had lots of personal requests for food and it was all served perfectly.

The thoughtful written cards and our keepsake gifts from you we will keep forever! I just cannot thank you all enough. Corick made our dream wedding come true and it was truly the most stunning venue. We already cannot wait to celebrate our anniversary next year and we will be back in the near future to stay again. You are just the most thoughtful venue and even though you have so many weddings each week, you made us feel like the only bride & groom!”
