## AFTERNOON TEA MENU

12.30 - 3.30

Monday - Sunday

Afternoon Tea was first introduced in the UK by the 7th Duchess of Bedford in 1840. The Duchess would become hungry at around 4pm but the evening meal in the household was served fashionably late at 8 o'clock.

The selection for the duchess was a pot of Tea & a light snack served by the staff in her Boudoir.
